## **EROSION AND GREEN SPACE DISCUSSION TOPICS AT EMC MEETING**

The Monroe County Environmental Management Council (EMC) will host their next monthly meeting on November 7, 2001 at the Monroe County Parks Department, 171 Reservoir Avenue, at 4:00 p.m.

Mack Mariani, Monroe County Department of Planning and Development, will provide the feature presentation on Monroe County's Green Space Initiative. In addition, Jeff Dunlap, New York State Department of Transportation, will make a presentation on erosion problems along Scottsville Road and the Genesee River.

Also at the meeting, the committee will report on such topics as the preservation of environmentally sensitive areas, wetlands, and public education.

The EMC is a division of the Monroe County Health Department. The EMC is comprised of appointed non-partisan citizen volunteers and county officials working together to protect and promote the quality of the environment in Monroe County. The council and its staff serve in an advisory capacity to the Monroe County Executive, County Legislature, other county departments, municipalities, and state and federal agencies.
